

Vini helps to spread the canine control message

MOST dog owners aren't dwarfed by their pets but then **Good Dog** and **Vini Ciccarello** aren't your garden variety pet-owner team.

The big blue canine is the Good Dog SA mascot while the Labor MP is a Good Dog SA ambassador. The duo caught up recently ahead of a special event happening in Rundle Mall this week.

Today will mark the launch of Good Dog SA – an initiative cooked up by the Dog and Cat Management Board and local councils to encourage responsible dog ownership.

Running until Saturday under Rundle Mall's Gawler Place canopy, the week will feature activities, displays and celebrity pooches from noon until 2pm each day.
