

# Dog microchip details must be stored on

**DOGS**AND**CATS**ONLINE.COM.AU

## Yes, I have an owner login

If you haven't created an owner login, details on how to register are overleaf.

**1** Go to [www.dogsandcatsonline.com.au](http://www.dogsandcatsonline.com.au)

**2** Click **'I have a login'** and enter your email address and password

**3** Select **'Register a New Dog/Cat'**  
*NB: if the microchip details have been entered into Dogs and Cats Online by a vet or implanter, select **Complete Ownership Transfer** instead*

**4** Check your **personal details** including email address and contact phone number

**5** Enter the **dog details** and upload certificates of desexing and microchipping

**6** **Review and submit** the details

**7** Enter the **payment details to pay** and complete the registration process

# New laws require all **dog microchip** details to be stored on

**DOGSANDCATSONLINE.COM.AU**

Don't have any Council registered animals and need to create a new owner login?

1

Go to

**[www.dogsandcatsonline.com.au](http://www.dogsandcatsonline.com.au)**

***NB:** if the microchip details have been entered into Dogs and Cats Online by a vet or implanter, select **Complete Microchip Registration**, otherwise;*

2

**Select 'Register as a New Owner'**

if you don't have any registered dogs or cats or a login to Dogs and Cats Online

3

**Enter your personal details** including an email address and contact phone number

4

**Breeder registration**, if applicable, for breeders of dogs or cats for sale

5

**Enter the dog details** and upload certificates of desexing and microchipping

6

**Enter the payment details to pay** and complete the registration process

7

**Create a password** within 24 hours, following the link sent to your email

Alternatively, you can contact your local Council for assistance.
